

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Aptitude Training to students: • To make the students capable for competitive exams. • To enhance conceptual knowledge of students in particular course and disciplines through instructions particularly for solving novel problems in the respective area. • To improve thinking skills to generalize as well as to standardize the methods and concepts to other applications. • To develop systematic methods for learning from problem sets, including: how to apply and transfer conceptual knowledge identify common obstacles and errors and contextualize individual problems within the themes and concepts of the course. Earn Learn Scheme • To give benefit to the students coming from the rural areas and who are economically backward, intelligent, needy and financially hard pressed. • To develop a student as a multifaceted personality with academic excellence and a commitment to an egalitarian society. • To increase skills of beneficiary students in areas of their study, office work, technical work and field work. • To enable needy students to earn every month to cope up with their expenses. • To prevent students from avoidable distractions and engage them in meaningful, positive activities Students have conducted different activities under professional club like Auto QUIZ, CATIA War etc. Industrial visits are also organized under ISHRAE student's chapter.
