- College Code : EN - 5124, MB - 5124, ME - 5124

Outward No. SNDCOERC/Office/ 297 / 2021-22

Date : 22/4/2022

GREEN CAMPUS POLICY

- The College follows a “Go Green and Grow Green” policy.
- It seeks to spread and strengthen the awareness on different subjects relating to the environment and mankind among academic community and neighborhoods.
- The college pays considerable attention to minimize the production of waste in the campus and thereby advises the officials administering various programmes/activities/celebrations to restrain from using disposable products and flex banners.
- The college has policy on recycling to be put into practice at student level through entrepreneurship development cell.
- Ban the use of single use plastic in canteen and in the college premises.
- Conduct awareness programmes and workshop on the harmful impact of single use plastic.
- Encourage students to spread the importance of banning plastic in the community that they live
- Mandate faculty, on-teaching staff and students to avoid the use of plastic bags and other plastic items and to increase the use of alternate solutions like use of paper folders, cloth bag and jute files instead of plastic make items.

As part of its initiatives for environmental sustainability, the following instructions and guidelines are implemented by the college

- Spread the importance of Energy conservation.
- Reduce the use of disposable items in all functions and meetings.
- Promote the use of e-copies and e-documents.
- Print on both sides of paper.
- Promote vegetable cultivation.
- Plant trees on important days of celebrations.
- Promote the usage of energy efficient like- LCD,LED etc
- Avoid the usage of plastic made pens/bags/files/folders and banners.
- Promote the use of electronic display boards, cloth banners etc.
- Keep the campus neat and clean.
- Don't waste water and other resources.
- Encourage use of bus and car pooling.
- Promote use of e-vehicles.
- Use of paper plate instead of plastic plate in canteen.
