Role & Responsibilities of the Entrepreneurship Development Committee

Objectives

1. To create awareness on Entrepreneurship among the students through training programmes and camps.
2. To facilitate budding entrepreneurs by providing information on entrepreneurial opportunities.
3. To assist entrepreneurs in product development, Market Survey, Preparation of Project Reports and assist them in getting Technical Feasibility Reports.
4. To help entrepreneurs to acquire necessary managerial skills to run the industry effectively.

The EDC will work under the supervision of the Principal and would be the supreme authority of the cell. The Principal shall guide the people who approach EDC for a technological based start-up about the feasibility and further direct the concerned person to the appropriate faculty member who can help in further development of the idea and make it into a venture. The Chairman's office shall act as a link between the T&P and the students/staff/alumni of CKCET who want to pursue their own technological venture. Chairman's office with the assistance of Faculty Advisor shall bridge the gap between R&D and commercialization.

EDC Co-Coordinator

The EDC Coordinator carries the responsibility of running the cell along with Training and placement cell. He/She is in charge of the daily running of the cell. The EDC Coordinator is the representative of the cell and shall propose implementable ideas in the best interest of the cell, and the people in general. All of the permissions for EDC shall go through the EDC Coordinator.
