Tutor System for students

Circular

The tutor assign for the group of students regularly provides counselling regarding their academic progress and class attendance. In the mentor scheme groups of 20-25 students are assigned to one faculty. It is expected that they meet once in a week to counsel students, discuss and help with their problems. Mentoring session help in identifying and addressing the difficulties regarding soft skill, language barriers, and slow learners. Result analysis and feedback received from the students and the discussions carried out during counselling sessions give an indication of low performing students who are probably at the risk of dropout. The mentor has a chalked-out responsibilities to take care of all the mentees such as to provide them career counseling, to provide them personal counseling, to support them for any kind of difficulty in their curriculum, to make provision of remedial coaching for them and to always support them as and when required.

Attached herewith is a list of mentors, and the list of class wise mentees with roll no. assigned to each mentor. Kindly note and do the needful as instructed.
