He also acquainted these students with history of NSS, the activities planned in the year 2016-17 through a power point presentation. He said that the objectives of NSS included creating social conscience in students and providing them with opportunities for serving society. The other major objectives, according to him, were: working with and among people; engaging in creative and constructive social action; enhancing one's understanding of oneself and the community; gaining skills in the exercise of democratic leadership; promoting the will to serve the weaker sections of community and promoting national integration. He pointed out that an NSS volunteer was expected to put in at least 120 hours of social service in an academic year and he/she would be entitled to get a certificate for the services rendered. He also briefed about all the activities that could be taken up by NSS such as educational programs; programs for work during emergencies; environmental enrichment and conservation; health, family welfare and nutrition programs and social service programs. He conveyed his blessings to the NSS volunteers for their zeal to serve the society through NSS and also emphasized on the personality development through NSS. About 150 students and staff members were present for the program. Principal of college guided the students on this occasion. The function ended with vote of thanks and finally Tea and Snacks. The main objective of training was to make familiar about aims and objectives of NSS. Information about regular activities and special camps was also given. The programme ended with Vote of Thanks delivered by NSS Programme Officer.
