Subject: Purchase Order of chemicals for Engineering Chemistry Lab

Dear Sir,

With reference to your quotation no. P.F NO : 12322 dated 22-08-2022 we would like to place order of following chemicals for Engineering Chemistry Lab as per specification supplied in your quotation/personal discussion with our authority for supply in respect of S.N.D. College Of Engineering & Research Centre, Yeola.

The terms and conditions of this order & necessary instructions regarding mode of dispatch, payment, taxes etc are mentioned below.

SOP of Chemistry Lab

1	Access to the laboratory is limited to facility users only.
2	Remove all reagents and supplies from the Biosafety Cabinet upon completion of the experiment, or if there is a long delay in time between experimental steps.
3	Users MUST follow all safety and cleanliness guidelines
4	Label all reagents and samples stored in common areas (not-labelled samples will be thrown away during weekly lab clean-up)
5	Clean the internal surface of the Biosafety Cabinet with 70% Ethanol/water solution. Bottles with the mixed solutions are available. Please refill bottles (ethanol and distilled water are available in the lab) upon usage.
6	All waste must be properly placed into the biosafety waste container (containers are provided and will be cleaned weekly).
7	If User generates a lot of waste and fills out the container, User should remove the full plastic bag from the container, seal it and place a new bag into the waste container. Bags are located at the bottom of the waste container.
8	Persons must wash their hands after working with potentially hazardous materials and before leaving the laboratory.
9	Sharps, such as needles, scalpels, pipettes, and broken glassware must be placed in the appropriate designated containers.
10	Before leaving the laboratory, all personal protective equipment shall be removed and placed in an appropriately designated place for storage, washing, decontamination or disposal.
11	Eating, drinking, smoking, applying cosmetics or lip balm or handling contact lenses is prohibited in laboratories.
12	Food and Drink shall not be eaten or stored in the Laboratory.
13	Never touch your eyes, nose, mouth or your face while wearing gloves.

To,

Dr. Mahendra Gawali

Asso. Professor,

Sanjivani college of Engineering, Kopargaon

Respected Sir/Madam,

I am very pleased to have the honor of inviting you to conduct guest lecture on Python in the department of First year Engineering of SND College Engineering & Research Centre, Yeola. We are interested to arrange guest lecture on 'Python' on 4th May 2022. We are expecting around 100 students will be benefitted for the same.

Your expertise and knowledge in the area would add a great value to all of us.

So, I request you to find your time to guide our students.

Thanks.

INDUSTRIAL VISIT NOTICE

This is to inform all the students that the First Year Engineering Department is organizing an Industrial visit on 11th March, 2022 for First Year students.

Objectives of Industrial visit:

1. To give an opportunity to students learn more about organization, systems, performance.
2. To give industrial exposure.

Departure Time : 8:30 A.M.

Arrival Time : 10:00 A.M.

Place : Hotel VITS Aurangabad.

All the interested students are required to give their names in the First Year Engineering Department latest by 9th March, 2022

Subject: Permission for Industrial Visit.

Respected Sir,

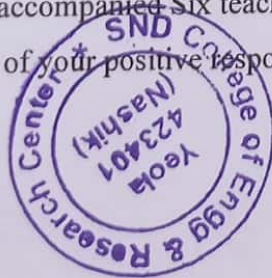

Heartily Greetings from S.N.D. College of Engineering & Research Centre, Yeola.

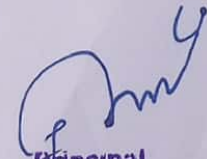

SND College of Engineering & Research Centre, Yeola is one of the professional technical institutions moving towards excellence in the field of Education. On behalf of "S.N.D. College of Engineering & Research Center, Yeola", I would like to request you to grant permission to the First Year Engineering students of the Institute for industrial visit in your factory area under the subject of "Systems in Mechanical Engineering".

The purpose of visiting the site visit is to give an opportunity to the students learn more about your organization, systems, performance and to learn something new. During the visit, we will discuss the basic criteria for performance excellence category level requirements and gather information to help the students make a baseline assessment of your current practices which will go a long way in shaping their knowledge levels and skills.

We like to visit your premises as per your convenience. The visiting team is comprised of 120 students who will be accompanied Six teachers.

Thanking you in anticipation of your positive response.
