Dear sir,

Greetings for the day!

We take Immense Pleasure to introduced ourself as an AICTE approved integrated campus situated near the Yeola city, named as SND engineering College and Research Centre.

As a part of Academic curriculum, Engineering students are required Practical Exposure that would enhance their knowledge gained in the classroom. This would give them a chance to exposed to actual work environment. In this view you accept our request and allow our Final year Electrical Engineering students to visit your esteemed organization and have an interactive session.

We look forward to continuous and harmonious relationship with you. Thank you very much in anticipation for a favourable response on our request.

Thanking you,

With warm regards

Dr.P.M.Patil
