## Event Report

Event Title: Expert session on Business Model Canvas  
Event Category: 2022-23/Q-3/IIC Driven/Event Category 07  
Event Date& Time: 22/05/2023, 11:00 am – 01:00 pm (2Hrs.)  
Presided by: Dr. D. M. Yadav  
Beneficiaries: All the Students of Engineering & Technology

## Event Summary

Event Summary

### **Event Title:**

Event Title:

Expert Session On "Business Model Canvas".

### **Event Objectives:**

Event Objectives:

- 1) To improve the business knowledge of students.
- 2) To understand the differences between Employment and Entrepreneurship.
- 3) To analyze the different abilities of business model canvas.

### **Keynote Speakers:**

- 1) Dr. D. M. Yadav,  
Principal, SND COE RC Yeola.
- 2) Dr. Hemant F. Wanjare,  
Ashoka Business School, Nashik

## Event Description:

On the date of 22/05/2023, Department of Electrical Engineering in association with Institute's Innovation Council of Institute had organized an expert session on "Business Model Canvas".

In this event, our Principal Dr. D. M. Yadav addressed to students regarding importance of the event in technical institutes. Respected sir also tells about the different ideas of business.

The speaker come guest Dr. Hemant Wanjare sir deeply explained the business model canvas, how the students will go through the canvas model. Sir give the various examples of Brand company how they had startup their business canvas and how they modify business canvas.

The speaker Dr. H F. Wanjare, presented their speech on behavior of students in such events. They also discussed the ability of students in curricular aspects. The students should able to prove themselves in the technical fields. They said that, they never think that such event is possible in the rural sector. The institute had taken great efforts for success of this event.

This program anchoring done by Prof. Kamble S.T. after the end of session Dr .H.S. Rane gave vote of thanks.

## Key Outcomes:

- 1) The students will able to understand how to design business model canvas.
- 2) The students will able to classify differences between employment and self business.
- 3) The students will able to know how to moderate the structure of business model canvas.

### Invitation Letter

To,  
Dr. Wanjare Hemant,  
Ashoka Business School, Nashik.

Subject: Invitation for conducting Expert lecture on "Business Model Canvas".

Respected Sir,

SND College of Engineering & Research Center, Yeola is the institute approved by AICTE, DTE, Accredited by NAAC and affiliated to SPPU, Pune. As per the academic curriculum, we are going to organize Expert lecture on "Business Model Canvas". We are highly impressed by your professional accomplishment and achievement in the field of teaching. Thereby, we cordially invite you to Department of Electrical Engineering, SND COE & RC, Yeola as Expert for this program. Our faculty and students are very much excited about the possibility of hearing your perspective on "Business Model Canvas".

I request you to kindly accept this invitation. Please refer it and kindly accept the invitation.

Your co-ordination in this regards will not only helps the cause of education but will also strengthen the youth of the nation.

Waiting with anticipation.

Appreciation Letter

To,  
Dr. Manjare Hemant,  
Ashoka Business School, Nashik.

Subject: Appreciation Letter for conducting Expert lecture on "Business Model Canvas" on  
Monday 22 May 2023.

Respected Sir,

We would like to express our earnest appreciation to you for serving as an adept presenter on "Business Model Canvas". Since we are entering a new growth phase on our campus, your comments were very timely. Your enthusiasm is contagious, and we hope to use your suggestions in our imminent year.

We are highly obliged for the time and effort you have put in as expert speaker in broadcasting the topic. The students who joined in the lecture were all elated and are gratified for the activity.

Thank You & we hope that we have a long association with you.

**Subject: - Invitation as a Trainer for Skill development Programme on  
"Artificial Intelligence with Python".**

Dear Sir,

We are pleased to invite you as a Trainer for the Skill development Programme on "Artificial Intelligence with Python" to be held during 23<sup>rd</sup> January to 1<sup>st</sup> February-2023. The schedule of training is 10:00 am to 5:00 pm at the Department of Electrical Engg. Your expertise and experience in this field of work will be an excellent addition to our Skill development Programme, as many of our audience will look forward to hearing and learning from your Session. It is an honor to be able to invite you as a Resource Person for a skill development Programme.

We look forward to positive response.

Thanks with Regards,

Subject - Regarding to permission for accommodation  
and food facility for skill development  
program trainer.

Respected sir,

Above subject mentioned that the department  
of Medical Engineering are going to organize  
ten days training program for TE (I) BT and  
so for that trainer will come from TEUL  
during 23rd Jan to 1st Feb-2023. their accommodation  
arrangement in Guest house and food in college  
canteen required.

So kindly allow for the same.

Thanking you!

### Notice

Date :-19/01/2023

All the Students of TE & BE Electrical are hereby informed that we are going to organize two week Skill Development course on "AI with Python" during 23<sup>rd</sup> Jan to 1<sup>st</sup> Feb-2023 in the association with FUEL Pune. It is compulsory for all. All students should register with below link.

Registration link:- <https://bit.ly/FUELREGFORM2023>

#### Benefits of the Course:-

- 1) Access to courses on online platforms like LinkedIn learning for free.
- 2) Course Completion certificate.

Subject: - Invitation as a Trainer for Skill development Programme on  
"Artificial Intelligence with Python".

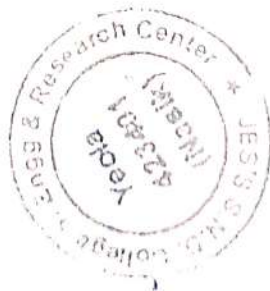

Dear Sir,

We are pleased to invite you as a Trainer for the Skill development Programme on "Artificial Intelligence with Python" to be held during 23<sup>rd</sup> January to 1<sup>st</sup> February, 2023. The schedule of training is 10:00 am to 5:00 pm at the Department of Electrical Engg. Your expertise and experience in this field of work will be an excellent addition to our Skill development Programme, as many of our audience will look forward to hearing and learning from your Session. It is an honor to be able to invite you as a Resource Person for a Skill development Programme.

We look forward to positive response.

Thanks with Regards.

To,

Mr. Amar Thakare

Sub: Regarding Guest Lecture

Respected sir,

I am very pleased to have the honors of inviting you with team to conduct Guest Lecture on "Cyber Security" in the Department of Computer Engineering of S.N.D College of Engineering and Research Center Yeola. We are Interested to arrange Guest Lecture on 25/07/2022. We are expecting around 60 to 70 UG students or more than that student to attend this lecture. And will be benefitted for the same.

Your expertise and knowledge in the area would add a great value to all of us.

So, I request you and your team to find your time to guide our students.

Thanking you

Regards,

  
HOD 25/7/2022

## REPORT OF GUEST LECTURE

**Event:** Guest Lecture

**Expert:** Mr.Amar Thakare

**Activity Incharge:** Prof .Pandit R.K

**Date:** 25/07/2022

**Venue:** Seminar Hall

**Objective:** The lecture aimed to a Cyber security is the practice of defending computers, servers, mobile devices, electronic systems, networks, and data from malicious attacks. It's also known as information technology security or electronic information security. The term applies in a variety of contexts, from business to mobile computing, and can be divided into a few common categories.

- **Network security** is the practice of securing a computer network from intruders, whether targeted attackers or opportunistic malware.

- **Application security** focuses on keeping software and devices free of threats. A compromised application could provide access to the data its designed to protect. Successful security begins in the design stage, well before a program or device is deployed.

- **Information security** protects the integrity and privacy of data, both in storage and in transit.

S.N.D College of Engineering & Research Center, Babhulgaon, Yeola-423401.

**COMPUTER ENGINEERING DEPARTMENT**

Email-comp.sndcoe@gmail.com

Ph.No.-02559-225015

Date: 25/07/2022

**Letter of Appreciation**

This is to certify that Mr. Amar Thakare has conducted 1 days' Guest Lecture on "Cyber Security" for SE, TE and BE Computer Engineering students on 25/07/2022.

We would like to mention that guidance provided by you were exceptionally valuable for SE, TE, BE Computer Engineering students.

The enablement of our students on guidelines regarding "Cyber Security" will surely help them in their career.

We once again record our appreciation for the outstanding services extended by you and hope to conduct similar activities for the benefit of our faculties as well as students in future.

Total no of students present were 73.

Sub: Regarding Guest Lecture

Respected sir,

I am very pleased to have the honors of inviting you with team to conduct Guest Lecture on "Android Application Development" in the Department of Computer Engineering of S.N.D College of Engineering and Research Center Yeola. We are Interested to arrange Guest Lecture on 24/08/2022. We are expecting around 60 to 70 UG students or more than that student to attend this lecture. And will be benefitted for the same.

Your expertise and knowledge in the area would add a great value to all of us.

So, I request you and your team to find your time to guide our students.

Thanking you

Regards,

HOD

## REPORT OF GUEST LECTURE

**Event:** Guest Lecture

**Expert:** Mr.Gaurav Gavale

**Activity Incharge:** Prof .Pandit R.K

**Date:** 24/08/2022

**Venue:** Seminar Hall

**Objective:** The lecture aimed **Android Application development** is the process by which applications are created for devices running the Android operating system. Google states that "Android apps can be written using Kotlin, Java, and C++ languages" using the Android software development kit (SDK), while using other languages is also possible. All non-Java virtual machine (JVM) languages, such as Go, JavaScript, C, C++ or assembly, need the help of JVM language code, that may be supplied by tools, likely with restricted API support. Some programming languages and tools allow cross-platform app support (i.e. for both Android and iOS). Third party tools, development environments, and language support have also continued to evolve and expand since the initial SDK was released in 2008. The official Android app distribution mechanism to end users is Google Play; it also allows staged gradual app release, as well as distribution of pre-release app versions to testers.

Jagdamba Education Society's  
S.N.D College of Engineering & Research Center, Babhulgaon, Yeola-423401.

**COMPUTER ENGINEERING DEPARTMENT**

Email-comp.sndcoc@gmail.com

Ph.No.-02559-225015

Date: 24/08/2022

**Letter of Appreciation**

This is to certify that Mr. Gaurav Gavale , Tega IT Solutions Pvt Ltd Dattamandir Stop , Nashik Road Nashik has conducted 1 days' Guest Lecture on "Android Application Development" for SE, TE and BE Computer Engineering students on 24/08/2022.

We would like to mention that guidance provided by you were exceptionally valuable for SE, TE, BE Computer Engineering students.

The enablement of our students on guidelines regarding "Android Application Development" will surely help them in their career.

We once again record our appreciation for the outstanding services extended by you and hope to conduct similar activities for the benefit of our faculties as well as students in future.

Total no of students present were 55.

Sub: Regarding Guest Lecture

Respected sir,

I am very pleased to have the honors of inviting you with team to conduct Guest Lecture on "Machine Learning" in the Department of Computer Engineering of S.N.D College of Engineering and Research Center Yeola. We are Interested to arrange Guest Lecture on 6/9/2022. We are expecting around 60 to 70 UG students or more than that student to attend this lecture. And will be benefitted for the same.

Your expertise and knowledge in the area would add a great value to all of us.

So, I request you and your team to find your time to guide our students.

Thanking you

Regards,

HOD

## REPORT OF GUEST LECTURE

**Event:** Guest Lecture

**Expert:** Mr.Amol Aher

**Activity Incharge:** Prof .Narode R.K

**Date:**06 /09/2022

**Venue:** Seminar Hall

**Objective:** **Machine learning (ML)** is a field of study in artificial intelligence concerned with the development and study of statistical algorithms that can effectively generalize and thus perform tasks without explicit instructions. Recently, generative artificial neural networks have been able to surpass many previous approaches in performance. Machine learning approaches have been applied to large language models, computer vision, speech recognition, email filtering, agriculture and medicine, where it is too costly to develop algorithms to perform the needed tasks.

The mathematical foundations of ML are provided by mathematical optimization (mathematical programming) methods. Data mining is a related (parallel) field of study, focusing on exploratory data analysis through unsupervised learning.

ML is known in its application across business problems under the name predictive analytics. Although not all machine learning is statistically based, computational statistics is an important source of the field's methods.

**Letter of Appreciation**

This is to certify that Mr. Amol Aher, Kasnet technology Pvt,Ltd Pune has conducted 1 days' Guest Lecture on "**Machine Learning**" for SE, TE and BE Computer Engineering students on 06/09/2022.

We would like to mention that guidance provided by you were exceptionally valuable for SE, TE, BE Computer Engineering students.

The enablement of our students on guidelines regarding "Machine Learning" will surely help them in their career.

We once again record our appreciation for the outstanding services extended by you and hope to conduct similar activities for the benefit of our faculties as well as students in future.

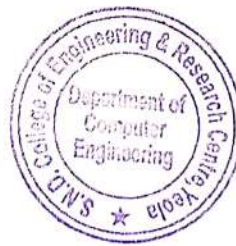

Total no of students present were 65.

## REPORT OF GUEST LECTURE

**Event:** Guest Lecture

**Expert:** Mr. Anand Ahuja

**Activity Incharge:** Prof. Narode R.K

**Date:** 22/09/2022

**Venue:** Seminar Hall

**Objective:** The lecture aimed to raise awareness about the importance of Drone Technology.

India currently has over 200 drone start-ups. xiii Given the potential and evolving technology in this sector, the number will substantially increase. To ensure that India has trained drone operators, several government and private institutions have started training programmes..

It is a layman terminology for **Unmanned Aircraft (UA)**.

Originally developed for the military and aerospace industries, drones have found their way into the mainstream because of the enhanced levels of safety and efficiency they bring.

A drone's autonomy level can range from remotely piloted (a human controls its movements) to advanced autonomy, which means that it relies on a system of sensors and **LIDAR detectors** to calculate its movement.

Sub: Regarding Guest Lecture

Respected sir,

I am very pleased to have the honors of inviting you with team to conduct Guest Lecture on "Latest Trends in IT" in the Department of Computer Engineering of S.N.D College of Engineering and Research Center Yeola. We are Interested to arrange Guest Lecture on 08<sup>th</sup> Oct 2022. We are expecting around 60 to 70 UG students or more than that student to attend this lecture. And will be benefitted for the same.

Your expertise and knowledge in the area would add a great value to all of us.

So, I request you and your team to find your time to guide our students.

Thanking you

Regards,

Department of Computer Engineering

## REPORT OF GUEST LECTURE

**Event:** Guest Lecture

**Expert:** Mr.Akib Shaikh

**Activity Incharge:** Prof .Narode R.K

**Date:**08 /10/2022

**Venue:** Seminar Hall

**Objective:** **Emerging technologies** are technologies whose development, practical applications, or both are still largely unrealized. These technologies are generally new but also include older technologies finding new applications. Emerging technologies are often perceived as capable of changing the status quo.

Emerging technologies are characterized by radical novelty (in application even if not in origins), relatively fast growth, coherence, prominent impact, and uncertainty and ambiguity. In other words, an emerging technology can be defined as "a radically novel and relatively fast growing technology characterised by a certain degree of coherence persisting over time and with the potential to exert a considerable impact on the socio-economic domain(s) which is observed in terms of the composition of actors, institutions and patterns of interactions among those, along with the associated knowledge production processes. Its most prominent impact, however, lies in the future and so in the emergence phase is still somewhat uncertain and ambiguous.

**Letter of Appreciation**

This is to certify that Mr.Akib Shaikh, CEO Cyphersa Software Ltd Nashik Maharashtra has conducted 1 days' Guest Lecture on "Latest Trends in IT" for SE, TE and BE Computer Engineering students on 08/10/2022.

We would like to mention that guidance provided by Mr.Akib Shaikh were exceptionally valuable for SE Computer Engineering students.

The enablement of our students on guidelines regarding Latest trends in IT will surely help them in their career.

We once again record our appreciation for the outstanding services extended by Mr. Akib Shaikh and hope to conduct similar activities for the benefit of our faculties as well as students in future.

Total no of students present were 92.

## Event Report

Event Title: Prototype Design  
Event Category: 2022-23/Q-3/Self Driven/Event 01  
Event Date & Time: 23/05/2023, 2:00 pm – 4:00 pm (02 Hrs.)  
Presided by: Dr. H. S. Rane  
Beneficiaries: All the Students and Faculty of Engineering & Technology

## Event Summary

### Event Title:

“Prototype Design”

### Event Objectives:

- 1) To aware the Students and faculty about Prototype Design.
- 2) To understand the basic requirements of the Prototype Design.
- 3) To apply for the prototype design by using various tools.
- 4) To develop easily accessible visualizations.
- 5) To provide analysis functionalities.

### Keynote Speaker:

Prof. Priyanka S. Shahane, ME (Computer Engineering). (P.E.S Modern College of Engineering)

Assistant Professor at Computer Engineering Department of SCTR's Pune Institute of Computer Technology.

### Event Description:

On the date of 23/05/2023, the Institute's Innovation Council had organized an event on “Prototype Design”.

In this event the keynote speaker was Prof. Priyanka Shahane, they had told the Student-faculty that a prototype is “A simulation or sample version of a final product, which UX teams use for testing before launch”. The Prototypes will essential for identifying and solving user's pain points with participants during testing.

They also told that paper prototypes will be the fastest way to test ideas and digital prototypes are the quickest way to test usability issues. Once a product gets to the engineering stage, changes cost significantly more time and money. They had given an idea for building HTML & JavaScript prototypes. It is necessary to get more accurate results. Without a proper plan, designers can get sidetracked, adding unnecessary features and interactions.

The necessary Prototyping methodology of Prototype Design is Paper, Digital, and HTML. A prototype's success depends on teams outlining clear objectives.

After all the discussion on the prototype design topic, the session had been concluded by Prof. P. P. Narode (Asst. Prof., Computer Dept.) with the prior permission of Hon. Principal Dr. D. M. Yadav.

#### Key Outcomes:

- 1) It helps you make sure your product works as intended.
- 2) It solves your user's problem.
- 3) It evaluates technical feasibility.
- 4) It enhances website quality.
- 5) It reduced risks.
- 6) It iterates at a lower cost.
- 7) It understands the logic and functionality of the product quickly and easily.

#### Event Poster:

The poster is for a webinar titled "Prototype Design" organized by the Department of Computer Engineering at S. N. D. College of Engineering & Research Center, Yeola. It is in association with the Institution's Innovation Council. The webinar is scheduled for 23rd May 2023, from 2.00 PM to 4.00 PM. The speaker is Prof. Priyanka Shahane. The poster also lists the IIC Coordinator (Comp) Prof. P. P. Narode, the IIC Incharge Dr. H. S. Rane, the HOD (Computer) Dr. U. B. Pawar, the IQAC Coordinator Dr. U. S. Ansari, and the Principal Dr. D. M. Yadav. The website www.sndcoe.ac.in is provided at the bottom.

## Department of Computer Engineering (AY 2022-23)

To,  
 Hon. Management,  
 JES, Yeola - Nashik

Date: 16/05/2023

Through: IIC and Resp Principal, SND College of Engineering and RC Yeola

Sub: Sanctioning of Remuneration for Expert Session on Prototype Design under IIC.

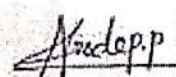

Respected Sir,

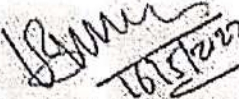

As per your directions and guidelines, we have planned Expert Session on Prototype Design under IIC. The institute level activity is planned by Department of Computer Engineering. We got the resource person Prof. Priyanka Shuhane from Pune. The expert session is planned in May 29<sup>th</sup> onwards. The faculty members and students will be benefitted for the same. The details of the expenses are as follows.

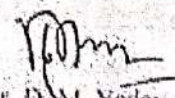

SR	Details of The Expenses	Expenses Approx.
1.	Remuneration for Expert Session on Prototype	2000/-
	<b>Total Expenses (Approx)</b>	<b>2000/-</b>

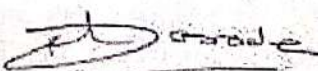

With this application kindly sanction expenses of Rs. 2000/- Against the remuneration for Expert Session through IIC.

  
 Dr. Marshal Rane  
 IIC-Coordinator

  
 Prof. Priyanka Narode  
 IIC-Coordinator (Comp)

  
 Dr. Umesh Pawar

Respected Ma'am,

I am very pleased to have the honors of inviting you to conduct an Expert Session on "Prototype Design" in the Department of Computer Engineering of S.N.D College of Engineering and Research Center, Yeola. We are Interested in arranging an Expert Session on 23/05/2023. We are expecting around 60 to 70 UG students or more than that as well as faculty to attend this lecture and will be benefited for the same.

Your expertise and knowledge in the area would add a great value to all of us.

So, I request you to find your time to guide our students.

Thanking you.

Regards,

Prof. Narode. P. P

IIC- Coordinator(Comp)

Respected ma'am

Thank you for giving this wonderful opportunity to share the knowledge on "Prototype Design".  
I will be available on 23rd May 2023 from 2-4 pm to conduct this session.

Warm Regards  
Ms. Priyanka Shahane
