## A Report of Webinar Conducted On

### “Introduction to Simulation tools used for built environment” (29th February 2024, Thursday)

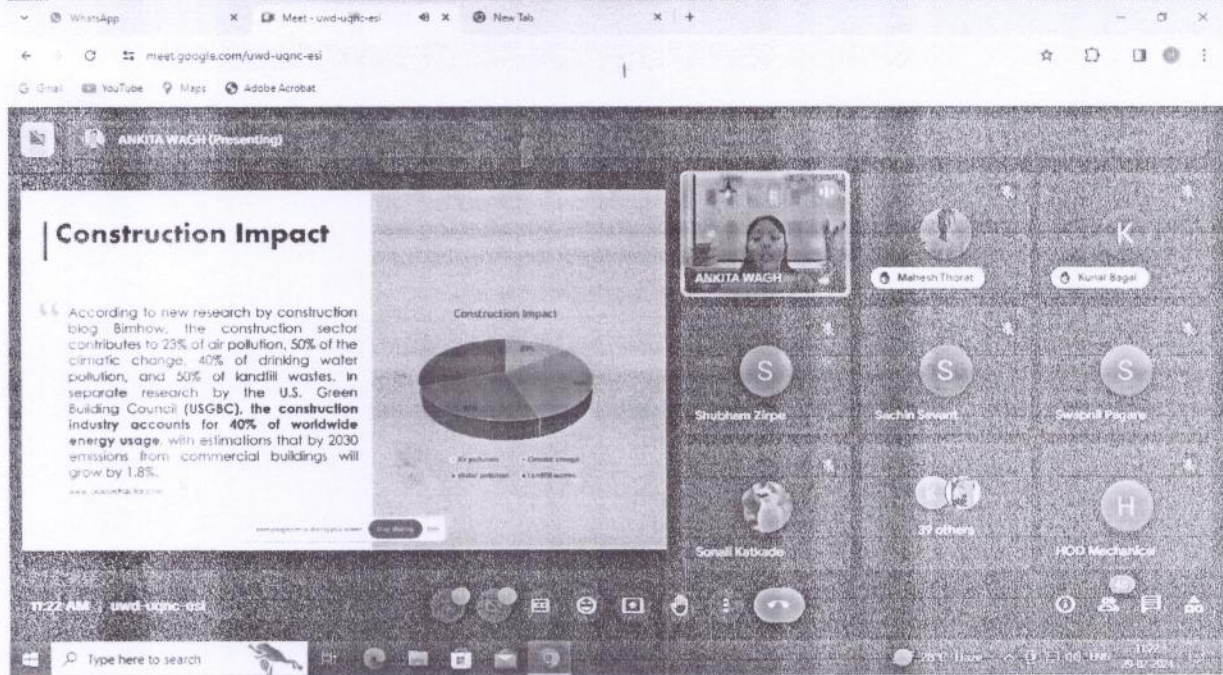

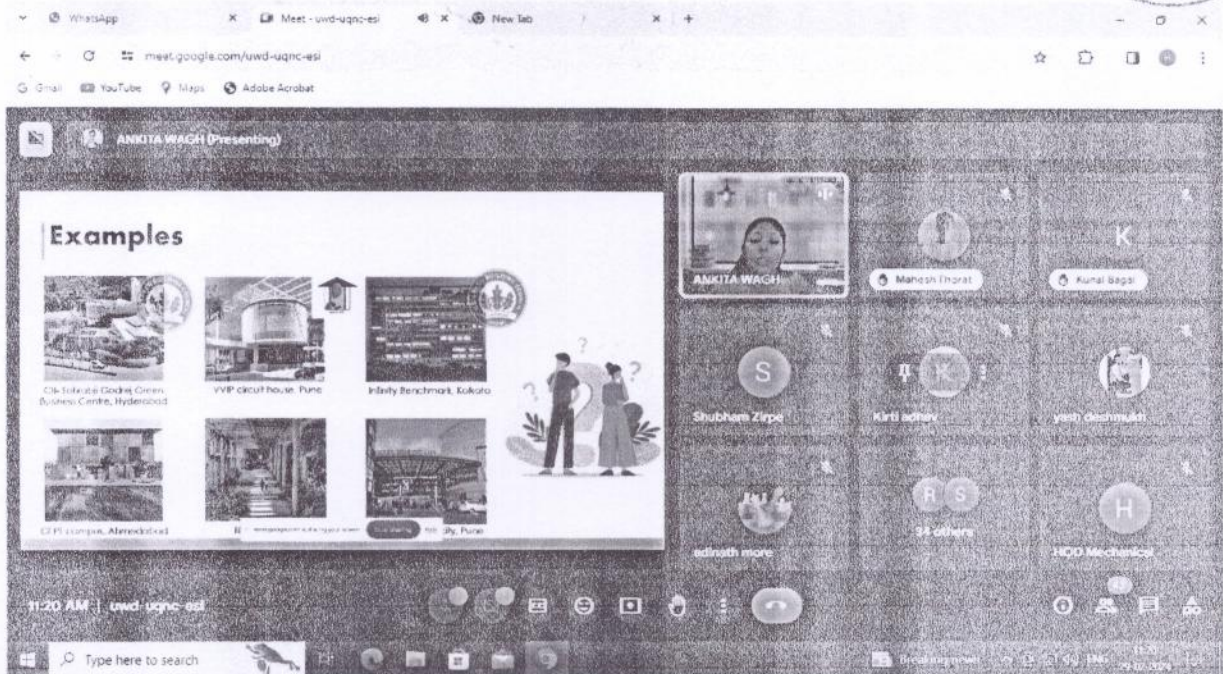

The Department of Mechanical Engineering has organized a webinar on “Introduction to Simulation tools used for built environment” on 29/Feb/2024 (Thursday) between 11:00 AM to 12:30 PM, through the Google meet platform. Dr. Harjit, Pawar, Head, Department of Mechanical Engineering welcome address. Prof. S.G Savant, (Faculty Adviser, ISHRAE SNDCOE & RC Student Chapter) introduced the resource person Mrs. Ankita Wagh.

Webinar was delivered by Mrs. Ankita Wagh, Senior Associate – Pvt. Ltd Pune. He solved every query from students with a very interactive session. Webinar was attended by 56 ISHRAE members. Mrs. Ankita Wagh gave brief information regarding the built environment & simulation software used in construction & Design industry. She explained whole building energy simulation analysis capabilities of the IES software tools with different examples. Design for the future with low impact energy systems and strategies. Students got to know various simulation soft wares currently are used in the industry. Students provided very positive feedback towards the webinar with high level of understanding of the concepts explained.
