Measures initiated by the Institution for the promotion of gender equity.

Measures Initiated by the Institute

1. Safety and Security

Students' security is a top priority on every college campus. Nowadays, a safe and supportive campus community is both an obligation and a challenge for college administrators and students. So, on our campus, we provide CCTV camera provision 24 hours a day. It helps to keep an eye on antisocial activities. Students and other employees in the college to remain cautious about the surveillance. Guardians are satisfied with our discipline on campus. Fire extinguishers are kept at various locations in the institute. The security person at the entrance gate maintains the records of visitors.

2. Counseling

a. Tutors

Tutors are assigned the responsibility of mentoring and counseling students. Each tutor takes care of a group of 20-25 students. Students are being counseled individually as per needs.

b. Women's Grievance cell

The Women Grievance Cell has been established in the Institute under Act No. 20 of 1990 of the Govt. of India. The objective of 'Women's Grievance Redressed Cell' is to ensure a safe and conducive environment for female employees and students. It provides confidentiality and support to the campus community who might be the victims of sexual or physical abuse. Further, it helps the victims to submit the grievance through informal and formal means; and ensures fair and timely redressal of the grievance.

3. Facilities

a. Sports facilities

The right promotion of the sports facilities in the college will result in the engagement of a large number of students and faculty. Therefore, in the institute, we have provided various indoor and outdoor sports facilities to students. A separate indoor game room is provided which includes various games such as Carom, Table Tennis, and Chess. Outdoor facilities include a Volleyball ground and a Basketball court.

b. Yoga Hall

Yoga is a practice that helps in getting full control over your mind and body. Keeping this in mind institute has an open auditorium on campus. Every year along with the students, the faculty also practices various Yoga Asanas, Pranayama, and Dhyana.

c. College bus facility

The college has access via various means of transport such as S.T. bus, CAB, and Rickshaw. However, the college has a full-fledged transport facility for students and staff members from various corners of Yeola City and nearby villages. The institute has its fleet of buses which not only take care of daily transportation but are also used for student outings like the NSS program, study tours, and industrial visits.

d. Common Rooms for Girls

In the institute, a separate girls' common room is provided, which is used during leisure time, lunch hours, and biological clock hours or as per the need. Facilities like drinking water, mirrors, washbasins, sanitary pad vending machines, incinerator machines, etc. are made available.

e. Canteen

A spacious and well-equipped canteen facility is available on campus. A complete and planned meal is served in neat, clean, and hygienic surroundings. Apart from north and south Indian nutritious breakfast, lunch, and dinner, tea, coffee, and soft drinks with snacks are also available. All the items are reasonably priced. We also provide a very hygienic mess facility separately.

f. ATM

The Private Bank ATM has been operating and it provides 24x7 ATM facility on the college campus. This facility can be availed by the students and staff of the college. ATM caters to the requirements of the students and the staff. It is located on a college campus so it helps to save the precious time and effort.

4. Grievance Redressal Cells

a. College Grievance Redressal Committee

Protection of human rights is essential for the all-round development of an individual's personality. As per the guidelines of UGC, the College Grievance Redressal Committee is constituted to address and effectively resolve grievances of the students and staff, and secures civil liberties for everybody.
