Department of Master of Computer Application

Event Description:

On the date of 18/01/2025, Department of Master of Computer Application had organized “Road-Safety Poster Presentation”. In this event, our Head of Department Prof. P. A. Sathe addressed the students regarding the importance of road safety. He also said that such kind of events are useful in developing the awareness among the students about road safety and measures. It provides them a platform to express their ideas, and showcase its real time application.

Key Outcomes:

- **Obey Traffic Rules:** Importance of following speed limits, stop signs, and traffic lights.
- **Avoid Distractions:** Risks of using mobile phones while driving.
- **Drunk Driving Awareness:** Consequences of driving under the influence.
- **Pedestrian Safety:** Using crosswalks and being vigilant on roads.

Event Winner:

	Name of the student
